14. Differentiate between "Continuous Happiness (Su-kha)" and "Prosperity (Samriddhi)" based on their definitions, relation, achievement method, and key characteristics as provided in the text. [10 Marks]
- Continuous Happiness (Sukh): Definition: A state of inner peace and satisfaction, which we all naturally desire, at all times, in all places, and with all people. Related to: The Self (mind/consciousness). Achieved through: Right Understanding (self-exploration) and by living in harmony with oneself and others, and having clarity in thoughts, behavior, and work. Key Characteristics: Continuous in nature (we always want to be happy), not dependent on material possessions, and comes from values like love, trust, respect, and care. Prosperity (Samriddhi): Definition: The feeling of having enough physical facilities to take care of one's needs and share with others. Related to: The body and physical needs. Achieved through: Identifying actual physical needs (not unlimited wants), ensuring right production and right utilization of resources, and living a need-based and responsible lifestyle. Key Characteristics: Needs are limited and quantifiable, ensures material well-being without greed or over-consumption, and leads to sharing and contribution to others' well-being.
