Student Sign: \_\_\_\_\_

Teacher Sign: \_\_\_\_\_

## SECTION A: SHORT ANSWERS

1. What is the definition of 'Prosperity (Samriddhi)' as provided in the text? [1 Marks]

## SECTION A: LONG ANSWERS

2. List any two of the 'Fundamental Universal Values' as identified in the source text. [1 Marks]

## SECTION A: MCQS

3. According to the provided text, what is the fundamental difference in the fulfillment method between the needs of the 'Self' and the 'Body'? [2 Marks]

- a) The Self's needs are fulfilled through external objects, while the Body's needs are met through internal understanding.
- b) The Self's needs are fulfilled through physical facilities, while the Body's needs are met through right understanding and relationships.
- c) The Self's needs are fulfilled through Right Understanding and Relationships, while the Body's needs are met through Physical facilities.
- d) The Self and Body both require physical facilities for fulfillment, but the Self requires them in a qualitative way.

4. Why are Universal Human Values (UHV) termed "universal" according to the introductory definition? [2 Marks]

- a) Because they are exclusively taught in universal education systems worldwide.
- b) Because they are relevant to all human beings, regardless of nationality, culture, religion, or personal beliefs.
- c) Because they apply only to the universe of human interactions, excluding nature.
- d) Because they are derived from universal scientific principles universally accepted.

5. According to the source text, which of the following is NOT listed as a 'Purpose of Studying Universal Human Values'? [2 Marks]

- a) Self-Understanding
- b) Promoting aggressive competition in the workplace
- c) Environmental Sustainability
- d) Harmony in Relationships

6. The source text describes 'Experiential Validation' as a step in the process of developing Right Understanding. Which of the following best characterizes this step? [2 Marks]

- a) It is the spontaneous acceptance of values without questioning.
- b) It involves checking if one's thoughts and actions consistently lead to lasting happiness and harmony.
- c) It is the process of acquiring knowledge solely from external sources and authorities.

d) It refers to the universal application of beliefs, regardless of personal experience.
